**Welcome to the Graduate School of Engineering and Science,
University of the Ryukyus, Okinawa, Japan**

October 1, 2011

Hello to all applicants! I am pleased to announce that we are recruiting students from all over the world into the International Priority Graduate Program, in the Graduate School of Engineering and Science, University of the Ryukyus, Okinawa, Japan.

Our graduate school offers two programs; the “Okinawa International Marine Science Program” in the Faculty of Science and the “Asia-Pacific Engineering Design Program” in the Faculty of Engineering, here in beautiful Okinawa.

We, The Faculty of Science, are offering Master’s and Doctoral courses in the Okinawa International Marine Science Program. It is our goal to foster world-class scientists, capable of solving current world problems on the basis of research carried out at University of the Ryukyus.

This is an excellent opportunity to study and have many exciting experiences on our beautiful island, Okinawa. We look forward to receiving your application for our program!

I wish you all the best!

Sincerely,

Makoto Yamazato

Director, Graduate School of Engineering and Science,
University of the Ryukyus
