

# COVID-19 Booster Shots at the University

## University Mass Vaccination

### 1 About Booster Shots at the University

We will administer **3rd inoculation** for students and faculty and staff members to reduce the burden of local communities and to accelerate the vaccination.

### 2 Implementation Period・Place

PERIOD : From Thursday, May 26, 2022 to Saturday, May 28, 2022

Thursday, June 2, 2022 to Saturday, June 4, 2022

Thursday, June 11, 2022 to Sunday, June 12, 2022

(Substitution day in case of a typhoon, etc.: Mon, Jun 13 & Wed, Jun 15)

※Pre-registration is required. Notice of registration and registration webpage URL announced sequentially on "On-Campus Information Bulletin Board" (in Japanese), "Sending Out Mass Emails to Students via Kyomu System," or "Sending Out Emails to Faculty and Staff Members," etc. on Wednesday, April 27.

PLACE : Zenhoren Station (University Hall) 3rd FLR, Senbaru Campus

WHO CAN GET A BOOSTER :

Those who are **18 years of age or older** on the day of vaccination and have been **vaccinated for 6 months after receiving the 2nd dose of vaccine**, and who fall into one of the following and wish to get vaccinated.

- UR Students & Faculty and Staff members (incl. part-time staff, contractors, and temporary workers, etc.)
- Neighboring students etc. (Okinawa Christian University Students, Okinawa International University Students, Okinawa Prefectural University of Arts Students, National Institute of Technology, Okinawa College Students)

※Those who received 1st and 2nd vaccination at the other sites can get a booster shot in this venue.

### 3 About Vaccine

The COVID-19 vaccine used in the University Vaccination is manufactured by **Moderna**.

Please read through the content regarding vaccination on the Ministry of Health, Labour and Welfare website before scheduling your appointment to not affect important tests or events.

# Vaccination Process

The following is the process of getting vaccinated at the University Vaccination Venue.

Register on  
the Specific Website

Prepare necessary documents &  
prevaccination screening questionnaire

To the venue

## 1 Pre-registration is required!

※Notice of registration and registration webpage URL announced sequentially on “On-Campus Information Bulletin Board” (in Japanese), “Sending Out Mass Emails to Students via Kyomu System,” or “Sending Out Emails to Faculty and Staff Members,” etc. on Wednesday, April 27.

For those who wish to get vaccinated, please register your preferred date and time on the website in order for us to prevent the loss of valuable vaccine and for you to keep the adequate vaccination periods.

You will also need to have the **【vaccination number】** and **【municipality number \*6 digits number in the municipality name box on the vaccination ticket】** which should be on the “prevaccination screening questionnaire” from your municipality to book an appointment.

**Registration Period :** Wednesday, April 27 to **Tuesday, May 17** ※ The last day for application has been changed.

! Those who are 18 years of age or older on the day of vaccination and have been vaccinated for 6 mos. after getting the 2nd shot of vaccine.

! If the vaccination ticket was issued by the municipality before the change,  
please ask the municipality where you moved your residence to reissue the vaccination ticket.

! Those who have already gotten the booster shot or have made an appointment in your municipality, please do not register.

! If you have received vaccination other than COVID-19 vaccine, please check with your doctor or medical institution that administered the vaccination to get a confirmation if you can get a COVID-19 vaccine.

! You cannot register, cancel or change the date of appointment after the registration period. Contact the office in charge if it is only unavoidable.

**Please cooperate to ensure the vaccines we have prepared will not go to waste.**

## 2 Prepare necessary documents!

The following documents are necessary on the day of vaccination.

**If you do not bring these documents, you cannot get vaccinated.**

Please fill out the 1. Prevaccination screening questionnaire in advance.

### Documents to Bring

1. Prevaccination screening questionnaire (w/ vaccination ticket)	<b>The 3rd prevaccination screening questionnaire from your municipality</b> (Vaccination ticket might be an attached sticker type.)
2. Certificate of vaccination	<b>It is enclosed in the envelope sent from your municipality.</b> (May be listed in the same document as 3.)
3. Proof of 1st & 2nd shots of vaccine	<b>Should be included in the vaccination ticket documents from your municipality</b> (Vaccination proof kept at the 1st & 2nd inoculation is acceptable.)
4. Identity varication document	<b>Document verifying your date of birth</b> (Student ID card, staff ID card, driver's license, health insurance card, etc.)

## 3 Be prepared and get vaccinated!

If you do not feel well (have a fever of 37.5°C or higher, etc.) on the day of inoculation, you cannot get vaccinated. Be in good physical condition and ready for the vaccination. After the vaccination, you will be asked to remain in the hall for 15 min (or 30 min) for observation. We will have a first-aid station in case someone feel sick during the observation period.

(What to wear, etc.)

- Please have a mask on.
- The vaccine is administered in the shoulder muscles. Please wear short-sleeved or sleeveless clothing with easy access to the upper arm.
